

Are you interested in teaching fun and engaging week-long summer classes to kids and teens between the ages of 8-14?

Cayuga Community College is now accepting proposals for the SUMMER 2020

College for Kids and Teens classes at the Auburn and Fulton campuses!

We are looking for topic areas from science and technology to nature and the arts as well as special interest classes.

We also offer opportunities to teach computer-based classes in which the curriculum and training is provided, such as Rocket Kart Racers and Minecraft Redstone Engineers!

**College for Kids and Teens
July 6 - July 24, 2020**

**New Classes begin every Monday and are either
1 1/2 or 3 hours daily.**

Proposals are due by Wednesday, February 26, 2020

To propose a class, please contact Emily Cameron,
emily.cameron@cayuga-cc.edu, 315-294-8527.
