OTHER ELECTIVES FOR 9th Grade

Technology Electives:

- 7688 ___ Woodworking
- 7684 ___ Construction Systems
- 7660 ___ Digital Imaging 1
- 7662 ___ Digital Imaging 2
- 7678 ___ Transportation Systems
- 7677 ___ Advanced Transportation Systems

- 7693 ___ Computer Science 1
- 7602 ___ Multimedia and Comm. Systems
- 7600 ___ Computer Aided Design and Drawing
- 7693 ___ Computer Science 1
- 7694 ___ Computer Science 2

Business Electives:

- 6684 ___ Sports Marketing
- 6685 ___ Sports Management
- 6630 ___ Accounting 1
- 6631 ___ Accounting
- 6695 ___ Computer Applications

Science Elective

3960 ___ Principals of Biomedical Technologies Prerequisites: Successful completion of a Regents Science course and previous or concurrent enrollment in Enriched or Regents Biology. Students should maintain at least a 90% grade in math and science courses and earn at least a 90% on either the R Earth Science or R Biology Exam.

FUTURE PLANS

- ___ Work
- ___ College
- ___ Military

CAREER INTERESTS

3 GOALS FOR HS

EXTRA-CURRICULAR AND COMMUNITY ACTIVITIES, VOLUNTEER WORK, INTERESTS, & PART TIME JOB

Graduation Requirements for High School Students Regents Diploma

<u>Area of Study</u>	<u># of Credits</u>	<u>Specific Requirements</u>
English	4 Units	English 9, 10, 11 and a total of 1 unit selected from required senior courses. 65 on English Regents/Common Core Exam
Social Studies	4 Units	2 units of Global History and a score of 65 on the Global History Regents exam 1 unit of U.S. History & Govt. and a score of 65 on the U.S. History Regents exam ½ unit of Government ½ unit of Economics
Math	3 Units	65 on the Integrated Algebra Regents/Common Core Exam
Science	3 Units	1 unit of Life Science 1 unit of Physical Science 65 on a Science Regents exam
Health	½ Unit	
World Languages	1 Unit	
Art and/or Music	1 Unit	
Physical Education	2 Units	Must take each semester

Additional units of credit to total 22 credits

Additional Requirements for Regents Diploma with Advanced Designation

Students must pass the three Regents exams entitled Algebra Common Core, Geometry Common Core, and Algebra 2 Common Core.

One additional Regents exam in science, for a total of two Regents exams, with at least one in life science and at least one in physical science.

Two additional units in a World Language for a total of three units in a single language, and the culminating exam in that language. Note: Students can bypass this language requirement by earning a 5-unit sequence in Technology, Business, Fine Arts or BOCES Career/Technical Education programs.

GPA/RANK IN CLASS

Grade point average and rank are computed after the sixth semester using all courses for which a numerical average is recorded. Please note that class rank and GPA includes Physical Education. Both GPA and rank in class are weighted. When calculating rank, the weighting formula adds 5% to the final average in enriched, AP, and college credit courses taught on site at Auburn High School. (Note: College courses taken “off site” or on the internet will not be weighted for GPA or class rank).

INITIAL ELIGIBILITY

Initial-eligibility standards help ensure you are prepared to succeed in college. The eligibility process also protects the fairness and integrity of college sports by ensuring student-athletes are amateurs.

If you want to practice, compete and receive an athletics scholarship during your first year at a Division I or II school, the NCAA Eligibility Center must certify you as eligible. (Eligibility for Division III is determined on campus.) Throughout the process, Eligibility Center staff members partner with students and their families, as well as high school administrators and coaches, to guide you on your journey.

REMEMBER

As a college-bound student-athlete, you are responsible for your eligibility – that means planning ahead, taking high school classes seriously and protecting your amateur status. It can be a difficult first step, but the benefits of being a student-athlete are worth the effort.

I'm so grateful that you (football) gave me a chance to get a quality education. The life lessons you taught me prepared me for life. You set me up for success. So for that, football, I say thank you.

Darryll Stinson
Football, Central Michigan University

HIGH SCHOOL TIMELINE

9th GRADE REGISTER

- » Start planning now! Take the right courses and earn the best grades possible.
- » Register for a free Profile Page account at eligibilitycenter.org for information on NCAA initial-eligibility requirements.
- » Find your high school's list of NCAA-approved core courses at eligibilitycenter.org/courselist.

10th GRADE PLAN

- » If you fall behind academically, ask your counselor for help finding approved courses you can take.
- » Monitor the task list in your Eligibility Center account for next steps.
- » If you are being actively recruited by an NCAA school and have a Profile Page account, **transition** it to a **Certification** account.
- » At the end of the school year, ask your counselor from each high school you have attended to upload an official transcript to your Eligibility Center account.

11th GRADE STUDY

- » Check with your counselor to make sure you are on track to complete the required number of NCAA-approved **core courses** and graduate on time with your class.
- » Ensure your sports participation information is correct in your Eligibility Center account.
- » Take the **SAT/ACT** and submit your scores to the Eligibility Center using code 9999.*
- » At the end of the school year, ask your counselor from each high school you have attended to upload an official transcript to your Eligibility Center account.

12th GRADE GRADUATE

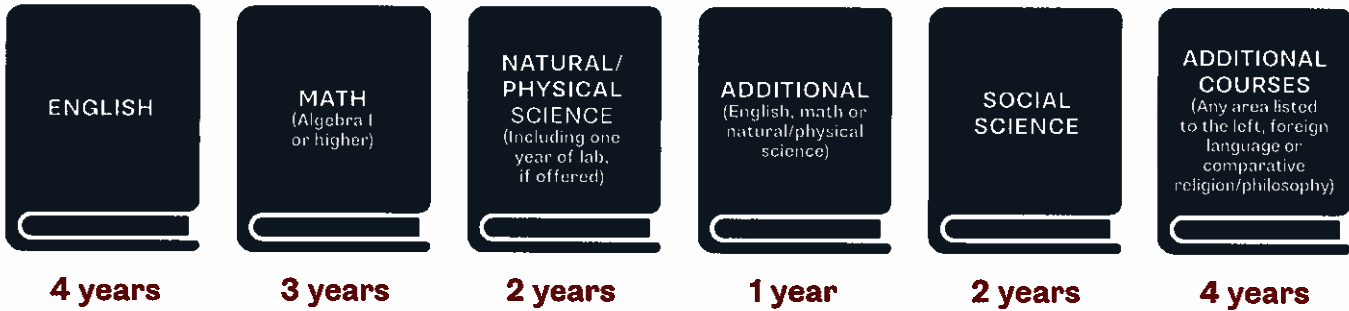

- » Complete your final NCAA-approved **core courses** as you prepare for graduation.
- » After you graduate, ask your counselor to upload your final official transcript with proof of graduation to your Eligibility Center account.
- » Take the **SAT/ACT** again, if necessary, and submit your scores to the Eligibility Center using code 9999.*
- » **Reminder:** Only students on an NCAA Division I or II school's institutional request list will receive a certification.
- » Request your final amateurism certification beginning April 1 (fall enrollees) or Oct. 1 (winter/spring enrollees) in your Eligibility Center account at eligibilitycenter.org.

* More information regarding the impact of COVID-19 and test scores can be found at on.ncaa.com/COVID19_Fall2022.

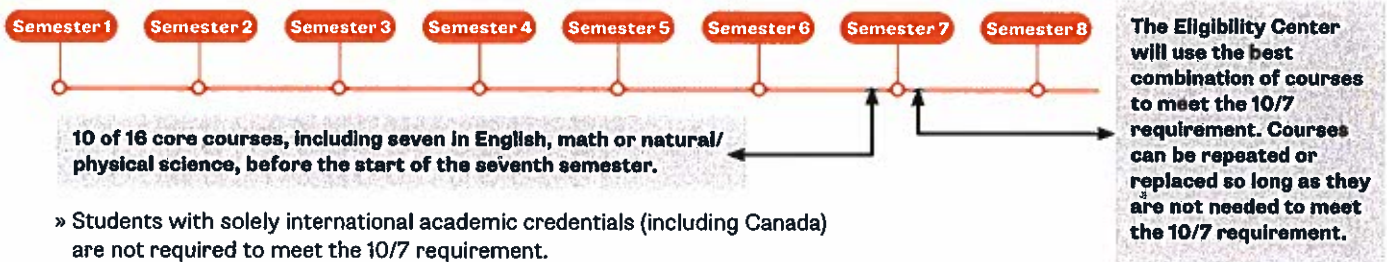

DIVISION I ACADEMIC STANDARDS

Division I schools require college-bound student-athletes to meet academic standards for NCAA-approved core courses, core-course GPA and test scores. To be eligible to practice, compete and receive an athletics scholarship in your first full-time year at a Division I school, you must graduate from high school and meet *all* of the following requirements:

1. Complete a total of 16 core courses in the following areas:

2. Complete 10 of your 16 core courses, including seven in English, math or natural/physical science, before the start of your seventh semester. Once you begin your seventh semester, any course that is needed to meet the 10/7 requirement cannot be replaced or repeated.

3. Complete the 16 NCAA-approved core courses in eight academic semesters or four consecutive academic years from the start of ninth grade. If you graduate from high school early, you still must meet core-course requirements.

4. Earn an SAT combined score or ACT sum score that matches your core-course GPA (minimum 2.300) on the Division I full-qualifier sliding scale. Review the sliding scale on [page 22](#) to ensure your score meets Division I requirements. More information regarding the impact of COVID-19 and test scores can be found at on.ncaa.com/COVID19_Fall2022.

How to plan your high school courses to meet the 16 core-course requirement:

$$4 \times 4 = 16$$

Auburn High School Curriculum

The curriculum at Auburn High School is designed to meet the needs of all students, regardless of their academic ability or future plans. Students may enroll in college preparatory, general, and vocational courses to help prepare them for college and/or the workforce. Students may begin earning credits at Auburn Junior High through accelerated programs in Math, World Languages and Science.

Grading Policy: minimum passing grade is 65%.

Full-Year Courses: Avg. of 6 marking periods + final exam / 7. **Half-Year Courses:** Avg. of 3 marking periods x 2 + final exam / 7. Some courses use portfolio assessments in place of a final exam.

GPA/Rank in Class: GPA and rank are computed after the 6th semester, and both are weighted (5% weight is added to AP, E, CCC and PLTW courses).

Instructional Levels

AP	Advanced Placement
E	Enriched (Honors)
R	Academic (Regents)

The criteria used in placing students in the instructional levels are classroom performance, counselor and teacher recommendations and test scores. In this 2021-22 academic year, 154 courses and 17 occupational programs are available to students, including:

Accelerated Courses (taken in 8th grade)

Earth Science R	Algebra	French I
Italian I	Spanish I	

Enriched Courses (Honors)

English 9E	English 10E	English 11E
Geometry E	Algebra 2E	Biology E
Chemistry E		

AP Courses
