Commitments and Strategies

After completing the Student Interviews, discussing the Equity Self-Reflection, and reviewing recent data, including survey data, school teams should discuss what was learned and then review the document “[How Learning Happens](#),” particularly page 3. Then the team should ask, “**What should we prioritize to support our students and work toward the school we wish to be?**”

The team should take the answers to this question and identify 2 to 4 commitments for the 2021-22 school year. For each commitment, the team will identify strategies that will advance these commitments.

School teams have a lot of flexibility when selecting the commitments that are identified. There is no requirement that commitments must align with specific subject areas, as was required in the past. Any of the full statements that appear on page 3 of the [How Learning Happens](#) framework, such as “*Every child can see themselves reflected in teachers, leaders, curriculum, and learning materials*” could serve as a commitment. To be meaningful, it is important that the commitments be informed by the Student Interviews, Equity Self-Reflection, and review of recent data, and the commitments should connect to the school’s values and aspirations.

After school teams identify their commitments, they should consider strategies that will allow the school to advance that commitment. School teams will need to identify how they will gauge success with this strategy, what the strategy entails, and any resources that are necessary to implement that strategy.

COMMITMENT I

Our Commitment

<p>What is one commitment we will promote for 2021-22?</p>	<p>INTENTIONALITY: Every child has intentional opportunities to practice and build social, emotional, and cognitive skills.</p>
<p>Why are we making this commitment? <i>Things to potentially take into consideration when crafting this response:</i></p> <ul style="list-style-type: none"> ● <i>How does this commitment fit into the school's vision?</i> ● <i>Why did this emerge as something to commit to?</i> ● <i>In what ways is this commitment influenced by the "How Learning Happens" document? The Equity Self-Reflection? Student Interviews?</i> ● <i>What makes this the right commitment to pursue?</i> ● <i>How does this fit into other commitments and the school's long-term plans?</i> 	<p>Student interviews, Equity Self-Reflection and PLC Associates Survey indicated that students felt isolated during the pandemic and have a desire to re-connect with teachers and classmates.</p> <p>Due to the constant changes and disruption to teaching and learning there is a need to re-establish a supportive learning environment.</p> <p>This commitment is in perfect alignment with the AJHS Mission-The mission of Auburn Junior High School's Faculty and Staff, working in partnership with the family and community, is to develop well-educated, productive, caring citizens who grow in character, integrity and social responsibility.</p> <p>We will promote the value of life-long learning in a safe environment during this time of transition from childhood to young adulthood.</p>

Key Strategies and Resources

STRATEGY	METHODS	GAUGING SUCCESS	RESOURCES
What strategies will we pursue as part of this commitment?	What does this strategy entail?	How will we know if this strategy is making a difference? Include points that will occur during the year that will be helpful in gauging success.	What resources (Schedule, Space, Money, Processes, Individuals) are necessary to support these strategies?
Professional Development	All staff will read and discuss “How Learning Happens” and the “Culturally Responsive-Sustaining Framework”. These two documents will serve as a focus of monthly faculty, team and department meetings.	Evidence that teachers are using discussed strategies from walkthroughs and observations and team minutes.	Schedule for delivery of professional development
PBIS	Each month one of the “Pride” categories will be a focus of morning announcements, lessons and/or school assemblies.	End of year survey results	The master schedule will be adjusted when needed. PRIDE Team will meet on a monthly basis.

Evidence-Based Intervention

All CSI and TSI schools must implement at least one evidence-based intervention as part of its SCEP. The intervention identified must meet the criteria of a Tier 1, Tier 2, or Tier 3 evidence-based intervention under ESSA. More information can be found at: <http://www.nysed.gov/accountability/evidence-based-interventions>

Schools may choose **one of three options** for identifying their evidence-based intervention:

Option 1: Selecting a strategy from the **State-Supported Evidence Based Strategies** located at: <http://www.nysed.gov/accountability/state-supported-evidence-based-strategies>

Option 2: Selecting an evidence-based intervention **identified in one of three clearinghouses:** What Works Clearinghouse, Social Programs That Work, or Blueprints for Healthy Youth Development

Option 3: Reviewing research to identify its own evidence-based intervention that meets the criteria for ESSA evidence-based intervention Tier 1, Tier 2, or Tier 3 found at: <http://www.nysed.gov/accountability/evidence-based-interventions>

Directions: Place an "X" in the box next to the path the school has chosen for identifying its evidence-based intervention and follow the corresponding directions for that path.

X State-Supported Evidence Based Strategy

If "X" is marked above, provide responses to the prompts below to identify the strategy and the commitment(s) it will support:

Evidence-Based Intervention Strategy Identified	Professional Learning Communities
We envision that this Evidence-Based Intervention will support the following commitment(s) as follows	Teachers will receive professional development on how to give Effective Feedback, implementing Student Goal Setting, How Learning Happens Messaging Framework and the Culturally Responsive-Sustaining Framework.

Our Team's Process

Background

NYSED requires that the SCEP is developed in consultation with parents and school staff, and in accordance with §100.11 of Commissioner's Regulations. All schools are expected to follow the guidelines outlined in the document "Requirements for Meaningful Stakeholder Participation" found at: <http://www.nysed.gov/common/nysed/files/programs/accountability/scep-requirements-stakeholder-participation.pdf> This section outlines how we worked together to develop our plan.

Team Members

Use the space below to identify the members of the SCEP team and their role (e.g. teacher, assistant principal, parent).

Name	Role
David Oliver	Teacher
Jeff Alberici	Teacher
Julie Feheley	Teacher
Kasha Fletcher	Teacher
Erin Gasper	Parent
Jared Tabone	Teacher
Luigi Tozzi	Teacher
Joanna Wilson	Parent
Jane Wood	Teacher

Our Team's Steps

Our plan is the result of collaborating to complete several distinct steps:

1. Interviewing Students
2. Completing the Equity Self-Reflection for Identified Schools
3. Reviewing Multiple Sources of Data and Feedback
4. Clarifying Priorities and Considering How They Connect to School Values
5. Writing the Plan
6. Completing the "Leveraging Resources" document

Meeting Dates

We completed the steps above across multiple meetings. Below is a list of dates we met as a team and what occurred during those meetings.

Meeting Date	Interviewing Students	Completing the Equity Self-Reflection for Identified Schools	Reviewing Multiple Sources of Data and Feedback	Clarifying Priorities and Considering How They Connect to School Values	Writing the Plan	Completing the "Leveraging Resources" document
<i>Example: 4/6/21</i>			x	x		
6/4/21		x				
6/11/21	x		x	x		
6/28/21					x	
7/5/21						x

Learning As A Team

Directions

After completing the previous sections, the team should complete the reflective prompts below.

Student Interviews

Describe how the Student Interview process informed the team's plan

Student groups were randomly selected across multiple demographic groups. Students were asked questions and their responses were incorporated into each one of our commitments. Based on their responses, students indicated a need for more personal student teacher interactions, re-teaching of our PBIS categories, and training and application of goal setting and learning targets.

Equity Self-Reflection

Describe how the Equity Self-Reflection informed the team's plan

The Equity Self-Reflection indicated a need for professional development with a focus on the “How Learning Happens Messaging Framework” and the “Culturally Responsive-Sustaining Framework”.

Submission Assurances, Instructions and Next Steps

Submission Assurances

Directions: Place an "X" in the box next to each item prior to submission.

1. The SCEP has been developed in consultation with parents, school staff, and others in accordance with [the NYSED Requirements for Meaningful Stakeholder Participation](#) to provide a meaningful opportunity for stakeholders to participate in the development of the plan and comment on the plan before it is approved.
2. The SCEP will be implemented no later than the beginning of the first day of regular student attendance.
3. Professional development will be provided to teachers and school leaders that will fully support the strategic efforts described within this plan.

Submission Instructions

CSI Schools: When your plan is ready for review, please share the plan with your NYSED liaison. Plans should be shared before July 30, 2021.

TSI Schools: When your plan is ready for review, please share the plan with your District, which will approve your plan. Plans will need to be approved before the first day of the 2021-22 school year.

Next Steps

1. In addition to having their plan approved by NYSED, CSI Schools will need to make sure that their plan has been approved by the Superintendent and the Board of Education (in New York City, the Chancellor or the Chancellor's designee) before the first day of the 2021-22 school year.
2. The approved CSI and TSI plans will need to be posted on the District's website.
3. Both CSI and TSI schools will need to complete the ***Leveraging Resources to Support the SCEP*** document and provide the document to their District. This document will be incorporated into the District's DCIP Planning Document, which will inform the 2021-22 DCIP.
4. Schools should plan to begin implementing their plan by the first day of the 2021-22 school year. Schools should continually monitor their implementation and make adjustment to their plans when appropriate.
