AUBURN SCHOOL DISTRICT
PARTICIPANT GUIDELINES FOR CO-CURRICULAR AND EXTRA-CLASSROOM
ACTIVITIES

Section I: Academic Eligibility Statement

The number one priority of the Auburn Enlarged City School District is to educate the whole child, first by stimulating the child intellectually and then by providing a number of common experiences designed to develop the social, emotional, physical and ethical values necessary to be a productive member of society. Co-curricular programs help to provide such experiences and are, therefore, considered an integral part of the total educational program. Involvement in co-curricular activities can have a positive influence on the academic achievement of students. However, academics must always come first to accomplish this objective an eligibility standard has been established. The guidelines are as follows:

- A. On report card distribution dates, at the high school and Jr. High levels, and at a 5-week report distribution dates at the Jr. High level, students will be determined to be eligible if they earn a 70% or higher overall average and have no grade of "Incomplete".
- B. Each time a student does not meet this standard, he or she will be put on academic probation until the next report card distribution date. Students may participate in co-curricular activities while they are on probation. It is the student's responsibility to meet with his or her teacher(s) to raise his/her overall average at least to the acceptable level of 70% and to make up the work needed to change an "Incomplete" to a grade.
- C. At the end of the six week probationary period, the student who continues to maintain an average below 70% will be declared ineligible until the marking period in which they achieve an average of 70% or better. Students declared ineligible may not participate in, or try-out for, any co-curricular activity.
EXAMPLE: A student on probation for the first marking period who does not raise his/her overall average to a 70% or above by the end of the second marking period, will be ineligible for the third marking period. If the student raises their overall average to a 70% or above by the end of the third marking period, the student would be eligible for the fourth marking period. If the student's overall average at the end of the fourth marking period falls below a 70%, the student would return to probation for the fifth marking period.
- D. A student's probation and eligibility status as of the 6th marking period will be carried over to the first marking period. The Summer School marking period average, not including the final exam grade, will be used to recalculate the 6th marking period average for the purposes of determining first marking period eligibility in the fall.
- E. This regulation will include all students, whether they are in the manager or player role in athletics.
- F. This regulation will include all sports and co-curricular activities.
- G. An 8th grade student with an eligibility status of ineligible, or on probation, as of the 6th marking period at AJHS will enter 9th grade at AHS with an amended eligibility status of probationary in an effort to get them involved in AHS activities

Section II: Behavioral Eligibility Statement

A. Attendance:

1. Students who serve an out-of-school suspension, on the day of a co-curricular activity or other school affair (ie: dance) scheduled after regular school hours, are not eligible for participation or attendance at such events. If a student is suspended Friday, or the day before a break, s/he may not participate in any school activities until the conclusion of their Suspension, on the next day school is in regular session.
2. Students who serve a full day of in school suspension may not participate in co-curricular events after school. However, a coach or activity supervisor, at his or her discretion, may require a student to attend, but not to participate.
3. In order for students to attend a school-sponsored function, it is necessary that students attend classes for a minimum of four bells.

Therefore, a student who goes on a trip during vacation or on a school-sponsored trip will not be dropped from a team or activity. However, team or activity membership rules may determine the extent of participation when the student returns.

C. Equipment Loss

Any loss of, or damage to, equipment or materials must be paid for by the end of the season of activity. Failure to pay by the end of that season will result in the student not participating in any future activity until payment is made.

D. Vandalism and Stealing

Any co-curricular participant who is found guilty of stealing or vandalizing the property of another while attending or participating in a co-curricular activity or event shall be ineligible to participate in the activity and/or shall be dropped from the activity.

E. Code-of-Conduct Rules:

1. Every participant is expected to fully uphold all school discipline rules including the District policy on *School Conduct and Discipline*.
2. No participant in any school-sponsored activity will be allowed to smoke, use, possess, sell, give or receive a cigarette, cigar or pipe, use chewing or smokeless tobacco or be in possession of any product including e-cigarettes, vaping devices and/or products used for vaping and any other related items.

Excepted is any drug taken in accordance with a current prescription signed by a physician that is to be taken by that particular student at the time in question.
5. The District will hold participants accountable for their social media posts. This will be subject to investigation. After investigation, violations of this co-curricular and extra-classroom Code of Conduct and/or the district's Code of Conduct may result in removal from sports and co-curricular activities.
6. The above code-of-conduct rules also extend to student conduct off school grounds, including student attendance at parties where alcohol and/or illegal drugs are present, for example.
7. Co-curricular participants who are found guilty of violating #2 through #5 of the above code of conduct rules will be suspended, at a minimum, from the athletic team for the remainder of the season in which the violation occurred. For activities that last the duration of a school year a student violating #2-#5 may be suspended for up to twelve weeks from that activity. Additional consequences will be considered for repeat offenders.
8. This regulation will include all students, whether they are in the manager or player role in athletics.

Section V: Medical Insurance/Risk of Injury Section:

A. Medical Insurance:

The Auburn Enlarged City School District carries limited insurance to pay for medical expenses of students who are injured while participating in the School District's authorized and supervised interscholastic sports program. It is limited in the sense that it pays for medical expenses for only certain injuries and only in limited amounts and for certain injuries. Students and parents should also be aware that the School District's insurance is not only limited in coverage and amount, but that it is secondary to other insurances which may cover such medical expenses, including (without limitation) a family's personal medical or hospital insurances. In other words and by way of example, a family's personal insurance must first be used to its allowable limits before the School District's limited insurance would be available to pay any portion or all of the unpaid medical expenses. For further information regarding the School District's insurances, you are advised to contact the personnel office of the School District.
