**PARTICIPANT GUIDELINES FOR CO-CURRICULAR AND EXTRA-CLASSROOM ACTIVITIES**

**Section I: Academic Eligibility Statement**

*See Academic Success page*

The number one priority of the Auburn Enlarged City School District is to educate the whole child, first by stimulating the child intellectually and then by providing a number of common experiences designed to develop the social, emotional, physical and ethical values necessary to be a productive member of society. Co-curricular programs help to provide such experiences and are, therefore, considered an integral part of the total educational program. Involvement in co-curricular activities can have a positive influence on the academic achievement of students. However, academics must always come first to accomplish this objective an eligibility standard has been established. The guidelines are as follows:

- A. On report card distribution dates, at the high school and Jr. High levels, and at a 5-week report distribution dates at the Jr. High level, students will be determined to be eligible if they earn a 70% or higher overall average and have no grade of "Incomplete".
- B. Each time a student does not meet this standard, he or she will be put on academic probation until the next report card distribution date. Students may participate in co-curricular activities while they are on probation. It is the student's responsibility to meet with his or her teacher(s) to raise his/her overall average at least to the acceptable level of 70% and to make up the work needed to change an "Incomplete" to a grade.
- C. At the end of the six week probationary period, the student who continues to maintain an average below 70% will be declared ineligible until the marking period in which they achieve an average of 70% or better. Students declared ineligible may not participate in, or try-out for, any co-curricular activity.  
EXAMPLE: A student on probation for the first marking period who does not raise his/her overall average to a 70% or above by the end of the second marking period, will be ineligible for the third marking period. If the student raises their overall average to a 70% or above by the end of the third marking period, the student would be eligible for the fourth marking period. If the student's overall average at the end of the fourth marking period falls below a 70%, the student would return to probation for the fifth marking period.
- D. A student's probation and eligibility status as of the 6<sup>th</sup> marking period will be carried over to the first marking period. The Summer School marking period average, not including the final exam grade, will be used to recalculate the 6<sup>th</sup> marking period average for the purposes of determining first marking period eligibility in the fall.
- E. This regulation will include all students, whether they are in the manager or player role in athletics.
- F. This regulation will include all sports and co-curricular activities.
- G. An 8<sup>th</sup> grade student with an eligibility status of ineligible, or on probation, as of the 6<sup>th</sup> marking period at AJHS will enter 9<sup>th</sup> grade at AHS with an amended eligibility status of probationary in an effort to get them involved in AHS activities

**Section II: Behavioral Eligibility Statement**

**A. Attendance:**

- 1. Students who serve an out-of-school suspension, on the day of a co-curricular activity or other school affair (ie: dance) scheduled after regular school hours, are not eligible for participation or attendance at such events. If a student is suspended Friday, or the day before a break, s/he may not participate in any school activities until the conclusion of their Suspension, on the next day school is in regular session.
- 2. Students who serve a full day of in school suspension may not participate in co-curricular events after school. However, a coach or activity supervisor, at his or her discretion, may require a student to attend, but not to participate.
- 3. In order for students to attend a school-sponsored function, it is necessary that students attend classes for a minimum of four bells.
