Montessori School of the Finger Lakes

Noel Romeo,
Head of School
6734 Pine Ridge Road
Auburn, New York 315-252-2225

Offers 3PK & UPK

The Montessori School of the Finger Lakes was founded in 1982 and is based upon the educational philosophy of Dr. Maria Montessori. Her development of educational materials and methods were based on her conviction that children learn best by doing. Her developmentally appropriate approach to learning is designed to fit each student's personal strengths and challenges. According to Montessori Philosophy, each child must be allowed to work at his or her own level of ability. Math, language, sensory refinement, social studies/geography, "everyday living" skills, courtesy/character education, science, music, dramatic play, technology and exploration of the environment are all explored through use of the hands and movement. Manipulatives and hands on materials are used to reinforce skills and expand upon student's learning opportunities. Children will experience a caring, compassionate atmosphere where they are treated like family. www.fingerlakesmontessori.com

FREQUENTLY ASKED QUESTIONS

What is Universal Pre-Kindergarten?

Universal Pre-Kindergarten (3PK or UPK) provides an opportunity for all three and four-year-olds to be enrolled in an exciting preschool program. UPK enables parents, childcare providers, preschool special education programs, nursery schools, community based organizations and other early childhood programs to work in collaboration with the Auburn Enlarged City School District to develop and implement high quality educational programs for resident three and four-year-olds.

Why enroll your child in a District Universal Pre-Kindergarten Program?

Research indicates that quality pre-kindergarten experiences promote academic success and greater achievement in school. Young children are at their most optimal age for learning.

Which three or four-year-olds are eligible to enroll in a Universal Pre-kindergarten Program?

Any Auburn resident who is three (3) or four (4) years of age on or before December 1st of the current school year is eligible to apply.

What is the cost to send my child to a Universal Pre-Kindergarten Program?

The Universal Pre-Kindergarten Program is state funded. There is **no cost** for eligible children to attend.

Are there selection criteria for the program?

Applications are accepted for a set period of time. If during that time the District receives more applications than there are slots available, children will be randomly selected. Site placement will be determined on the basis of daycare, financial income, and parental choice.

Once selected, placement is not guaranteed at a specific site nor can a child's placement be changed once they are officially enrolled.

Is the Universal Pre-Kindergarten Program mandatory for all three and four-year-olds?

Universal Pre-Kindergarten is an entitlement program. It is not mandatory for parents to enroll their child in the program. However, if a child is enrolled, regular attendance is expected.
