

The Wild Center's Youth Climate Leadership Retreat

July 31st - August 2nd, 2019

Hosted at [North Country School's Round Lake Campus](#), Lake Placid, NY

The Youth Climate Leadership Retreat is an intensive 3 day 2 night experience for participants of the The Wild Center's Youth Climate Program to develop valuable skills to lead on climate change in their schools and communities.

We invite your school to send up to 2 students to attend this 3-day 2-night retreat where participants will increase their climate literacy and leadership skills through:

- Dynamic hands on workshops and presentations ([Click Here](#) to see agenda from 2018)
- Team building activities with other student leaders in the Youth Climate Program
- Outdoor experiences (canoeing, hiking, campfire, etc.)

What's included? All expenses are covered for this event, including 2 nights lodging, meals, and exciting activities. Transportation to the Round Lake Campus is *NOT* included, but there may be carpooling opportunities.

HOW CAN YOUR SCHOOL PARTICIPATE?

Recommend maximum of 2 students who satisfy the following:

- Attends high school and will be active participants of their environmental club during the 2019-2020 school year.
- Is interested in having an environmental leadership role in their school and/or community.
- Available for the **ENTIRE** retreat.
- Prepared to do a small amount of pre-retreat preparation.

HOW DO STUDENTS APPLY?

- [CLICK HERE](#) to apply. **Application deadline EXTENDED: May 31, 2019.** We will notify applicants of our decision by early June. *Space is limited so submit application soon!* Students are encouraged to apply in teams of 2. Priority given to applicants who have not attended a previous Youth Climate Leadership Retreat.
