Auburn High School Curriculum

The curriculum at Auburn High School is designed to meet the needs of all students, regardless of their academic ability or future plans. Students may enroll in college preparatory, general, and vocational courses to help prepare them for college and/or the workforce. Students may begin earning credits at Auburn Junior High through accelerated programs in Math, World Languages and Science.

Grading Policy: minimum passing grade is 65%.

Full-Year Courses: Avg. of 6 marking periods + final exam / 7. **Half-Year Courses:** Avg. of 3 marking periods x 2 + final exam / 7. Some courses use portfolio assessments in place of a final exam.

GPA/Rank in Class: GPA and rank are computed after the 6th semester, and both are weighted (5% weight is added to AP, E, CCC and PLTW courses).

Instructional Levels

AP	Advanced Placement
E	Enriched (Honors)
R	Academic (Regents)

The criteria used in placing students in the instructional levels are classroom performance, counselor and teacher recommendations and test scores. In this 2024-25 academic year, 154 courses and 17 occupational programs are available to students (link to Course Guide [here](#).) including:

Accelerated Courses (taken in 8th grade)

Earth Science R	Algebra I	French I
Italian I	Spanish I	

Enriched Courses (Honors)

English 9E	English 10E	English 11E
Geometry E	Algebra 2E	Biology E
Chemistry E		

AP Courses

Biology	Calculus
Computer Science	Human Geography
World History	US History
English Literature	US Government

BOCES Career & Technical Programs (off campus)

Advanced Manufacturing	Applied Electrical Technology	Auto Body Technology
Automotive Technology	Computer Systems & Networking	Construction Trades
Cosmetology	Criminal Justice	Culinary Arts
Early Childhood Education	Emerging Careers in Commerce	Graphic Design/New Media
Health-Related Occupations	Heavy Equipment Repair/Oper.	Outdoor PowerSports
New Visions Med. Professions	Plant, Animal & Life Sciences	Trades Explorations

College-Level Dual Enrollment Courses

*CCC = Cayuga Community College

CCC Essentials of Art	CCC Health 104
CCC Painting Studio I	CCC French 103
CCC Business Math 105	CCC French 104

2020-21 Academic Adjustments Due to COVID-19 Pandemic

Auburn High School began the 2020-21 school year with all students fully remote. A hybrid learning model was phased in at the end of September 2020, with students attending school in person two days and learning remotely three days per week. Students who chose to remain fully remote and not opt into the hybrid model were allowed to do so.

Beginning April 19, 2021, all hybrid students were able to attend in person four days a week.

Teachers graded their courses numerically based on six marking periods - no final exams were given, and students were exempted from Regents exams. Honors, AP and college-level courses were still weighted by 5%.
