

Thank you for registering for the webinar series, “Elevating Student Voice as Leaders to Advance Equity and Inclusion,” presented by the New York State Education Department in partnership with the Region 2 Comprehensive Center. This webinar series, held in Fall 2023, highlighted a range of ways in which school districts across New York State are elevating students as authentic partners and leaders in creating equitable and inclusive schools.

The recorded videos and introduction videos from Chancellor Lester W. Young Jr. and Executive Director of the Office of Diversity, Equity, and Inclusion, Dr. Diane Wynne, are now available on NYSED’s [Diversity, Equity, and Inclusion website](#).

We appreciate the district leaders, educators, and students from the following school districts who participated in this webinar series:

Gates Chili Central School District  
Ithaca City School District  
Peekskill City School District  
Salamanca Central City School District  
Shenendehowa Central School District  
Uniondale Union Free School District

We hope that you enjoy these videos and that they inspire continued and future practices that elevate students as agents of social change in creating welcoming, affirming, and culturally responsive schools for all students.
